2.26.2 Any effort by a tenderer to influence The National AIDS Control Council in its decisions on tender, evaluation, tender comparison, or contract award may result in the rejection of the Tenderer's tender.

2.27 Award of Contract

a) Post-qualification

2.27.1 In the absence of pre-qualification, The National AIDS Control Council will determine to its satisfaction whether the tenderer that is selected as having submitted the lowest evaluated responsive tender is qualified to perform the contract satisfactorily.

2.27.2 The determination will take into account the tenderer financial, technical, and production capabilities. It will be based upon an examination of the documentary evidence of the tenderers qualifications submitted by the tenderer as well as such other information as The National AIDS Control Council deems necessary and appropriate.

2.27.3 An affirmative determination will be a prerequisite for award of the contract to the tenderer. A negative determination will result in rejection of the Tenderer's tender, in which event The National AIDS Control Council will proceed to the next lowest evaluated tender to make a similar determination of that Tenderer's capabilities to perform satisfactorily.

(b) Award Criteria

2.27.4 The National AIDS Control Council will award the contract to the successful tenderer(s) whose tender has been determined to be substantially responsive and has been determined to be the lowest evaluated tender, provided further that the tenderer is determined to be qualified to perform the contract satisfactorily.

(c) Right to Vary quantities

2.27.5 The National AIDS Control Council reserves the right at the time of contract award to increase or decrease the quantity of goods originally specified in the Schedule of requirements without any change in unit price or other terms and conditions.

(d) Right to Accept or Reject Any or All Tenders

2.27.6 The National AIDS Control Council reserves the right to accept or reject any tender, and to annul the tendering process and reject all tenders at any time prior to contract award, without thereby incurring any liability to the affected tenderer or tenderers or any obligation to inform the affected tenderer or tenderers of the grounds for The National AIDS Control Council action.

2.28 Notification of Award

2.28.1 Prior to the expiration of the period of tender validity, The National AIDS Control Council will notify the successful tenderer in writing that its tender has been accepted.

2.28.2 The notification of award will constitute the formation of the contract but will have to wait until the contract is finally signed by both parties.

2.28.3 Upon the successful Tenderer's furnishing of the performance security, The National AIDS Control Council will promptly notify each unsuccessful Tenderer and will discharge its tender security.

2.29 Signing of Contract

2.29.1 At the same time as The National AIDS Control Council notifies the successful tenderer that its tender has been accepted, The National AIDS Control Council will send the tenderer the Contract Form provided in the tender documents, incorporating all agreements between the parties.

2.29.2 The parties to the contract shall have it signed within 30 days from the date of notification of contract award unless there is an administrative review request.

2.30 Performance Security

2.30.1 Within Thirty (30) days of the receipt of notification of award from The National AIDS Control Council, the successful tenderer shall furnish the performance security in accordance with the Conditions of Contract, in the Performance Security Form provided in the tender documents, or in another form acceptable to The National AIDS Control Council.

2.30.2 Failure of the successful tenderer to comply with the requirements

of paragraph 2.27 or paragraph 2.28 shall constitute sufficient grounds for the annulment of the award and forfeiture of the tender security, in which event The National AIDS Control Council may make the award to the next lowest evaluated Candidate or call for new tenders.

2.30 Corrupt or Fraudulent Practices

2.30.1 The National AIDS Control Council requires that tenderers observe the highest standard of ethics during the procurement process and execution of contracts when used in the present regulations, the following terms are defined as follows;

2.31.2 The National AIDS Control Council will reject a proposal for award if it determines that the tenderer recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question.

2.31.3 Further a tenderer who is found to have indulged in corruptor fraudulent practices risks being debarred from participating in public procurement in Kenya.
